

The Jewish Dominated Media Hides These Truths

Quoted from Louis Epstein, author of Sex Laws and Customs in Judaism:

“The {Black} female slave was a sex tool beneath the level of moral considerations. She was an economic good, useful, in addition to her menial labor, for breeding more slaves. To attain that purpose, the master mated her promiscuously according to his breeding plans. The {Jewish} master himself and his sons and other members of his household took turns with her for the increase of the family wealth, as well as for satisfaction of their extra-marital sex desires. Guests and neighbors too were invited to that luxury.”

“THE SHIPS WERE NOT ONLY OWNED BY JEWS, BUT WERE MANNED BY JEWISH CREWS AND SAILED UNDER THE COMMAND OF JEWISH CAPTAINS.”

Quoted per RABBI BERTRAM W. KORN

“It would seem to be realistic to conclude that any Jew who could afford to own slaves and had need for their services would do so...Jews participated in every aspect and process of the exploitation of the defenseless Blacks.”

The most notorious anti-black racist in Judaism happens to be Judaism’s most influential and revered sage, Moses Maimonides, who taught in his book “Guide of the Perplexed,” that blacks are subhuman.

The TRUTH is MIGHTY, It Will Prevail
